

## CANADA Icanvision Immigration and Education Inc.

First of all, the full amount for you to go to Canada, varies person to person based on the type of visa you apply and based on your experience and qualifications, to give you a ballpark figure the full cost can be from around \$20,000 Canadian dollar to around \$30,000 Canadian dollar, hence if you or your parents don't have access to this fund please refrain from applying to this Canada visa through this program. This message is being conveyed to you by icanvision immigration and education inc.

We are in an agreement with icanvision immigration and education inc., a regulated Canadian Immigration Consultant foreign worker recruiter in British Columbia, Canada.

You can find the required IELTS requirement below, if you don't have an IELTS qualification and you are interested in applying, you are warmly welcome to apply, Icanvision will consider your applications based on your English fluency.

Work Permit Visa (Required IELTS - 5 )

PR Visa (Required IELTS - 7 )

Visit Visa

Student Visa (Required IELTS - 6.5 )

Tourist Visa

Sometimes the above-mentioned IELTS could be different for you, it all depends on what educational qualification you have and what visa you are applying for, and it will be informed to you during your consultation.

Initially to get the visa consultation you will have to pay them \$300 Canadian dollar, you can find the account details as attached and then along with that payment receipt, they have requested you to fill their application and send back the application and payment receipt to them for consultation. Once they check and verify the payment receipt they will schedule the consultation with you.

I have attached the application form, account details and the affidavit of our company.

The icanvision immigration and education inc will review your application after you pay the consultation fee. Please note that you have to sign and stamp your thumb print on our affidavit form and send it to us, if you fail to send us the Affidavit, your application will not be entertained until it is done.

The applicants who have registered with us earlier and had paid us the \$100 Canadian dollar registration fee, can get a discount of \$100 Canadian dollar by sending us the payment receipt and invoice proving your payment to us and we will verify that and then we will get you the discount, after that you can pay \$200 Canadian dollar for the consultation.

You can apply for a Work Permit, PR, Visit Visa, Student Visa and Tourist Visa.
